Keep Coming

We'll Double Again

It is an old story. Carmelo Precinct has given "over the top." This time our record has been maintained in the drive for the Victory Loan. For the Fourth Liberty Loan of six billion—our quota was $39,000; we subscribed $42,000. For the fourth and a billion Victory Loan is $15,000. Last Monday evening, the end of the seventh day of the campaign, our total had reached $13,150, and we were "over." On Tuesday evening we had $22,250. Then it was that local chairman W. T. Kibbler said, "We'll double our quota." If you have not subscribed, do so, in order that we may "double."

The Coming Election

With Tuesday July 1, officially set by the Legislature as the date of the Forty Million Dollar Bond Election, it is necessary that all men and women be properly registered. Those who did not register in Carmelo Precinct in 1918 and who wish to vote here this year must register before May 31 in order to vote on July 1.

The election is held on July 1 instead of August 26, the date originally set, so that the money will be available in time to pay a part in solving the soldiers' employment problem.

He practiced what he preached—Americanism.

You might have disagreed with him at times but to the whole world he stood for America.

Are you doing less?

You are unless you are willing to sacrifice—unless you take your share of the Victory Liberty Loan.

There is nothing strange about great men: they are like us, only deeper, broader, they think as we do, only with more intensity; they suffer as we do, more tenderly.

EACH ISSUE HAS SPECIAL APPEAL TO ALL INVESTORS, SAYS EXPERT.

“Capitalists, as well as the small investor, may purchase the new Victory Loan issued with the assurance that they will hold in the market close to the limit of a private placed Feb. 8. Victory Loan campaign manager for the Twelfth District, today in speaking in the writing appeal the Victory notes make to investors strictly from an investment standpoint. He continued: “It has, of course, been a source of disappointment to speculators for previous Liberty Bond issues that these bonds have gone up in price only, a discount of five or six points in the market. “While this does not represent a real loss to those who have held their bonds for investment, it is reassuring to subscribers for Victory notes that such discount is possible in the case of the present issue.”

“Discount Impossible.”

A decline of the Victory Loan notes of only one point, to 99 for example, would put them on an interest return of 0.05%. Even during the war, with the prospect of continued large issues, no Liberty Bonds have ever declined to any such basis. The Fourth Loan bonds today are a matter of only one point, selling to yield less than the 3% paid by the Victory notes at par. “A similar situation existed in the case of the series of 3% fully tax-exempt Liberty Bonds, until recently sold out to the larger investors. The first issue of the fully tax-exempt Liberty Bonds bearing 3%, tax-exempt, in the light of the liquidation during the war, were selling as high as 3.50%. “Should the Victory Loan 3% notes decline to 99, this would be equivalent to a 4.50% return from its fully tax-exempt note, which would be equivalent to 8% for the Liberty Loan 3% which now are in active demand in the market at 99.”

Dance at the Highlands

Last Saturday evening a jolly informal dance was held at Carmel Highlands Inn by the young folks at the Inn and a number from Carmel. The Carmel Orchestra added much to the enjoyment of the occasion. The crowd of twenty couples were present.

Dance was the occasion and the music was all of the best.

The evening's air was so pronounced that weekly subscription from dances may be the result. What shall we do, the band and the ladies at their names at the Pine Cone office. It was suggested that they come to the Highlands and spend the evening dancing; at least once a week weekly Friday, would be delightful.

On Thursday evening last Mrs. Frank H. Powers gave a dance to the folks there. Those who participated were Mr. and Mrs. T. M. Cade, Miss Kirkmosher, Mr. T. C. Parkhurst of the Highlands, Miss Anne Brewer and Mariam Dorn, both San Francisco artists, and W. C. Cate, Mr. and Mrs. John Reid; Mr. and Mrs. William Pettif. Mrs. M. De Neale Morgan and Mr. McInerney from Carmel.
